Fax 435-673-0330

EDUCATION

2010- Board Certification in Oral & Maxillofacial Surgery

2006 - 2007 **Chief Resident**
University of Oklahoma
Department of Oral and Maxillofacial Surgery

2003 - 2006 **Resident**
University of Oklahoma
Department of Oral and Maxillofacial Surgery

2003 – **Doctor of Dental Medicine**
Temple University
School of Dentistry

2003 – **Master of Business Administration**
Temple University
Fox School of Business

1999 – **Bachelor of Science in Zoology**
Brigham Young University
College of Biology

PUBLICATIONS

Articles

1. Mazolewski PJ, Barber A, Williams S, Simoni J, **Davis S** & Shires GT:
Attenuating tumor necrosis factor alpha does not ameliorate other cytokine and
peroxidase products during sepsis.
American Journal of Surgery 178: 556-559, 1999

2. Santibanez-Gallerani AS, Barber AE, Williams SJ, **Davis S**, Zhao Y & Shires GT: Matrix metalloproteinase inhibition protects hepatic integrity in hemorrhagic shock. *Journal of Gastrointestinal Surgery* 4: 536-541, 2000

Research Abstracts

1. Shires GT, Santibanez-Gallerani AS, Barber A, Williams SJ, **Davis S**, Zhao Y: Matrix metalloproteinase inhibition protects hepatic integrity in hemorrhagic shock. *Gastroenterology*, abstract, April 1999
2. Santibanez-Gallerani AS, Barber A, Williams SJ, Mazolewski P, Avansino J, Murray B, **Davis S**, Zhao Y & Shires GT: Hepatic protection in *E. coli* septic shock as well as hemorrhagic shock by MMP1 Inhibition. *Gastroenterology* 118 (Suppl 2): 2267, abstract, 2000

RESEARCH EXPERIENCE

Certificate of Achievement, The Humane Care and Use of Laboratory Animals in Biomedical Research, University of Nevada School of Medicine, Department of Surgery, presented by The Institutional Animal Care and Use Committee in the following areas:

Anesthesia and Analgesia of Rodents
Aseptic Surgery of Rodents
Facility Orientation
The Humane Care and Use of Laboratory Animals
The Mouse, Rat, and Hamster

Research: University of Nevada School of Medicine, Department of Surgery.
Experience includes:

Endotracheal intubation of rodents through midline tracheostomy
Cannulation of carotid artery and femoral vein in rodents
Enzyme-Linked Immunosorbant Assay

HONORS

Dean's List, Temple University School of Dentistry.

Temple University Oral and Maxillofacial Surgery Honor Society

Temple University Oral and Maxillofacial Surgery Study Club

Dean's List, Brigham Young University.

SCHOLARLY ACTIVITIES

Guest Lecturer University of Oklahoma Department of Oral & Maxillofacial Surgery

Southwest Society of Oral & Maxillofacial Surgeons

Annual Meeting Presentation

“Cone-Beam Computed Tomography - Oral & Maxillofacial Applications”

Craniofacial Award, University of Oklahoma Scientific Day

“Cone-Beam Computed Tomography - Oral & Maxillofacial Applications”

Oral & Maxillofacial Surgery Award, University of Oklahoma Scientific Day

“Zygomatic Implants”

Temple University Outstanding Student Award

“Dental Implants”

PROFESSIONAL AFFILIATIONS

- Board Certified Oral & Maxillofacial Surgeon
- Fellow American Association of Oral and Maxillofacial Surgeons
- Member of the American Academy of Cosmetic Surgery
- American College of Oral and Maxillofacial Surgeons
- American Dental Association
- International Association of Oral & Maxillofacial Surgeons
- Utah Society of Oral & Maxillofacial Surgeons
- American Society of Dental Anesthesiologists
- International Team for Implantology
- Assistant Professor University of Oklahoma Department of Oral & Maxillofacial Surgery
